

Quality Policy

As one of the leading manufacturers of media packaging and patented IML tubes, we target to be flexible and capable to quickly respond to the volatile market requirements.

Our company defines the Quality Policy in line with the values and goals of the Viva group, listed as below:

- orientation to stakeholders satisfaction,*
- product quality and safety,*
- on-time deliveries,*
- reliability and solidity of workmanship,*
- responsiveness and flexibility,*
- ensure stable working conditions.*

We are achieving these goals through :

- maintenance of an effective system of Quality Management according to ISO 9001 standard,*
- continuous improvement of our processes and equipment,*
- introducing new, innovative products manufactured with recycled materials and intended for recycling,*
- constant training of employees and improvement of their qualifications,*
- complying to legal regulations relating to the company's operations,*
- apply all of the above in an economically efficient way.*

Our goal is to maintain the leading position in the media packaging and IML tubes industry through innovation and commitment and an ongoing drive for improvement in accordance with the principle rules of sustainable development.
